Passionate 3rd-year Computer Science student and Undergraduate Assistant at UIU with expertise in full-stack web development, blockchain architectures, IoT integration, and embedded systems. Proven competitive programmer with multiple top awards in national coding and hackathon events.

PROJECTS

Supply Chain Management System Full-Stack

A multi-role supply chain platform featuring end-to-end blockchain-style traceability and real-time IoT sensor monitoring for integrity verification.

AMANAHA Blockchain

Pharmaceutical Supply Chain Protocol

Engineered a decentralized tracking solution integrating **zkSync**, **IPFS**, **The Graph**, and **Request Network** for transparent medicine distribution.

UIU Routine Optimizer Python

Automated algorithm tool designed to resolve course conflicts and optimize trimester class schedules for university students.

Prayer Time Clock ESP32 / IoT

Smart digital prayer clock featuring ESP32 microcontroller, custom LCD interface, and automated time synchronization.

A* Object Avoidance & Path Planning

Implemented pathfinding algorithms enabling dynamic obstacle avoidance and efficient trajectory calculation.

Climate Controlled Smart Chest

Designed an auto-balancing, shock-absorbing, climate-monitored container for safe medical item transport.

EXPERIENCE

Undergraduate Assistant

2025 – Present

United International University

Assisting faculty with course administration, lab instruction, and mentoring junior undergraduate students.

Event Organizer

2025

UIU CSE Fest 2025

Managed event operations, technical competitions, and logistics for university-wide technology festival.

TECHNICAL SKILLS

LANGUAGES

C, C++, Java, Python, JavaScript, PHP, HTML/CSS

BLOCKCHAIN & WEB

zkSync, IPFS, The Graph, Request Network, Node.js

HARDWARE & IOT

ESP32, Microcontrollers, Sensors, Embedded C

CORE CONCEPTS

Data Structures & Algorithms, OOP, Path Planning (A*), Software Engineering

ACHIEVEMENTS

- **Finalist** – National Blockchain Olympiad (2025)
- **Silver Medalist** – Beat Code 251 (2025)
- **8th Place** – Coders Combat (2025)

EDUCATION

B.Sc. in CSE

United International Univ.

3rd Year (Expected 2027)

HSC (Science)

Ideal College, Dhanmondi

2021 – 2022

CERTIFICATIONS

- **C-Essentials** (Cisco Networking Academy)

LANGUAGES

- **Bangla**: Native
- **English**: Proficient
